

REMARKS

This Amendment is pursuant to an Election filed by the Applicants. That Election was in response to the Office Action mailed August 16, 2004 imposing a restriction requirement.

In the Description section, the phrase "a thermal tag that changes temperature at a specified temperature" is changed to "a thermal tag that changes color at a specified temperature". This is to correct a typographical error. This correction is supported by the phrase "until the tag changes color" appearing at the end of the same paragraph

In the Election, claims 1-16 were elected, and claims 17-22 were not elected. This Amendment accordingly cancels claims 17-22.

New claims 23-28 are related to elected claims 1-16 such that both sets of claims can be examined with a single search.

Respectfully submitted,

Mitchell Rose
